To Whom it may concern;

Please accept this letter as my wholesale endorsement of the aircraft sales department of Corporate Flight Management, in Smyrna, TN., and specifically Mr. Blake Tumbleson, who manages that department.

Blake recently handled the sale of two of our aircraft; a Cessna T210, and a Westwind. Both of these transactions were handled very professionally with a minimum of effort on my part . Blake and his staff handled all the details and documentation required, including coordinating pre-buy inspection, arranging delivery, required FAA filings, and all of the necessary details.

I would recommend Blake and the Corporate Flight Management team to anyone who needs a competent, experienced sales team to handle the sale of an aircraft, from the smallest single engine to the largest business jets.

Sincerely,

Bud C. Phillips  
Aviation Dept. Manager/Chief Pilot
