Dear Blake:

Great job! We listed our aircraft with you on May 19 and you had it under contract for sale on June 28...sold in 5 weeks! Thank you, Corporate Flight Management and the PLUS Program for a job well done.

It was productive for me to list the plane with you and let you handle all of the calls and the sale. While you were selling my airplane, I was attending to the business that allows me to have an airplane. Good business for both of us.

I will refer all of my Cirrus comrades to you for the sale and purchase of their next airplane.

Thanks.
