To Whom It May Concern:

We recently had the opportunity to use the services of Blake Tumbleson and Corporate Flight Management, Inc in the acquisition of an aircraft.

I found Blake to be extremely professional and very responsive in all aspects of this acquisition. He was very helpful in providing information regarding the aircraft, assisting in getting all pre-purchase inspections completed, resolution of "squawk" issues, and transfer of title to the aircraft. Even though Blake actually represented the seller in this transaction, I felt that he was also an extremely fair individual from the "buyer's perspective".

It was a pleasure working with him, and I would certainly recommend his services to anyone interested in acquiring, or selling, an aircraft.

Sincerely,

Dennis W. Wesney
