Dear Mr. Howell:

I wanted to take a few minutes of your time to share with you my recent airplane brokerage experience with your firm.

Let me say, I have bought and sold five airplanes in the past eighteen years. My recent sale of a Mitsubishi Aircraft handled by Blake Tumbleson was the smoothest transaction of them all. His work was professional, timely and very thorough. He offered good counsel and backed up all of his recommendations with accurate and factual data.

Please don't hesitate to use me as a reference. I've been on both sides of the table, buying and selling airplanes. Your brokerage department did a superb job.

Thank you for your time and I look forward to working with your firm again.

Sincerely,

Terry Clyne
